

MUCINEX[®] Mini-Melts[™] (Bubble Gum Flavor)

Drug Facts

Active ingredient (in each packet)

Guaifenesin, USP 100 mg.....

Purpose

Expectorant

Uses helps loosen phlegm (mucus) and thin bronchial secretions to rid the bronchial passageways of bothersome mucus and make coughs more productive

Warnings

Ask a doctor before use if you have

- persistent or chronic cough such as occurs with smoking, asthma, chronic bronchitis, or emphysema
- cough that occurs with too much phlegm (mucus)

Stop use and ask a doctor if cough lasts more than 7 days, comes back, or occurs with fever, rash, or persistent headache. These could be signs of a serious illness.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- empty entire contents of packet onto tongue and swallow
- for best taste, do not chew granules
- do not take more than 6 doses in any 24-hour period

Age	Dose
